About ASQ

Founded in 1946, ASQ is the world's leading community of people passionate about quality. As a professional association, ASQ brings together individuals and companies in all fields and industries who strive for continual improvement of the products, services, and experiences that make our world work better. ASQ's 70,000 individual members and 300 corporate members spanning over 130 countries are building the future of quality, advancing the best insights, and investing in the ideas, tools, techniques, and systems that will help the world meet tomorrow's critical challenges. This member-led community is further divided into sections based on geography. ASQ India Section has been formed in 2022 under the Russia, Asia, India, Australia, and New Zealand Geographic Communities Council of ASQ (ASQ RAIN GCC)

About The Conference

November, which is celebrated the world over as the Quality Month, we also as part of the ASQ, celebrating by organizing an annual conference on quality management in Ahmedabad, India. Keeping up the tradition, this year too ASQ India Section jointly with the Institute of Management, Nirma University organizing its 11th Annual International Conference on Quality Management (1st ever Conference of ASQ India Section) on the theme "Transformation through Quality in Hybrid Era" during 25-26 November 2022 at Nirma University Ahmedabad.

Organizations that participated in our previous ten conferences included ABB, AMNEAL, AMUL, Bosch Rexroth, Finolex, HDFC, Hitachi, Jyoti CNC, Minitab, MMTC, Reliance, Tata Motors, among many others. Leading industry associations, including Rajkot Management Association, Vadodara Innovation Council, Baroda Management Association, Project Management Institute, Auto Component Manufacturers Association, Indo-American Chamber of Commerce among others, have been associated with previous quality management conferences. Besides top industry executives' sessions, panel discussions, networking opportunities, participants are also exposed to real-time situations through industry visits and live case study presentations during the conference.

About Institute of Management, Nirma University

Established in the year 1996, Nirma Institute of Management is a product of the visionary Padmashree Dr. Karsanbhai K. Patel. Built on the principles of entrepreneurship, excellence and professionalism, the institute has been imparting quality business education and boasts of producing some exceptional leaders and managers in the industry.

The Institute has been ranked as the 45th Best B-School overall by the National Institute Ranking Framework (NIRF) released by the Ministry of HRD, Government of India on July 15, 2022. It was also ranked as the 5th Best Private B-school in India and also listed in the A1 category among the top 30 B-schools in the country by Business Standards in February 2022. It was also ranked as the 6th best private B-School in India by the CSR-GHRDC B-School Survey and published in the Competition Success Review, November, 2021 issue.

One of the top MBA institutes in India, Nirma Institute of Management is always in pursuit of academic excellence while encouraging its students toward original and innovative thinking. Intellectual debates and discussions on national and international issues and policies are an integral part of the curriculum, empowering students to create a secure future for themselves. The Institute has built its reputation with its holistic approach and dedication to adding value to life and professional ethics to its students. The alumni of this prestigious institute are a testimony of its vision of producing new-generation leaders who are leading many enterprises in India and abroad.

With world-class infrastructure and amenities, the campus makes education stimulating and dynamic. The Nirma University is accredited as an "A+" grade by the National Assessment Accreditation Council (NAAC). The Institute of Management, Nirma University (IMNU) is duly accredited by the South Asian Quality Assurance System (SAQS) for five years by the Association of Management Development Institutions in South Asia (AMDISA), an international association, and a SAARC recognized body. The Institute is now in the league of global b-schools through its SAQS International accreditation, which reflects the Institute's continuous quality improvement system bench-marked with the leading global B-schools in the world. It is an associate member of the European Foundation for Management Development (EFMD).
