ABOUT THE PROGRAM

Sustainable Change Management

Sustainable change management ensures that transformation efforts deliver lasting impact. It integrates structured methodology, leadership commitment, and employee engagement to embed change into organizational culture. By aligning people, processes, and technology, organizations achieve resilience, continuous improvement, and long-term value creation.

OUR SPEAKER

" Dr. Manu Vora, Chairman and President of Business Excellence, Inc., USA is a globally respected quality leader with over five decades of experience. Renowned for his contributions to TQM, leadership development, and knowledge management, he has advised Fortune 500 companies and inspired professionals worldwide.
